### Activity Details:

#### Details about the activity

We have arranged workshop regarding “IPR Activity Awareness “amongst startups of SSIU. Students have gathered information about patents registration process and have gathered knowledge regarding different rules and regulation about other country patent. Students have also understood importance of patent search related to their startups.

#### Outcome (Benefits to students, faculties, school and university)

- 1) Awareness creation in knowledge institutions
- 2) Establishing IPR Cells in Universities to help academicians in matters related to IPR like patent searches, IP audit of universities, protecting their inventions.
- 3) Providing technical input to the government on IPR related issues and interacting with other science departments.
